

OZAUKEE NONPROFIT CENTER

2020 IMPACT REPORT

"What a nice organization to volunteer with! They make me feel valued and it is a pleasure to be in an environment that is so important to the community it serves."
-Lindsay Jaeger, Volunteer extraordinaire

"I am so proud of our team's hard work and determination this past year to rebrand, rebuild, and revitalize the organization, particularly in the face of such challenging times. Our roots will hold strong as the ONC continues to grow its vision and provide invaluable support for local nonprofits and this great community in the years to come."
-Jonah Turner, Board President

ZAUKEE

NONPROFIT CENTER

The evolution of Ozaukee Nonprofit Center (ONC) would not have happened without the support of our surrounding community and individuals like you. If we had not taken steps to foster collaboration over 25 years ago, we would not have been able to change the Ozaukee County nonprofit community to learn, share, and grow in this unique way.

“A vibrant community of change-makers united to learn, share, and grow together.”

As we head into the next decade, we look forward to continuing to be a facility that enables nonprofit organizations a place to connect and collaborate while focusing on the needs of our community.
